T3/T5 tax slips for Investment Income	February 28, 2018
T5008 tax slips for Securities Transactions	February 28, 2018

NR4 tax slips for Income Paid to Non-Residents of Canada	March 31, 2018

Important Notice

If contributions were made to a Registered Retirement Savings Plan between March 1 and December 31, 2017, you may also receive more than one contribution receipt for the period. In addition, separate contribution receipts will also be issued for contributions made in the first 60 days of 2018.

We would recommend that you wait until after the above deadlines before filing your 2017 Income Tax Return to ensure all of the receipts applicable are received.
